Mark,

2 years ago about this time, I lost my job, my home in Houston, my cars, and most hurtful of all my family to alcohol. my family moved back to Michigan (where we are from) and I followed, trying to get them back. I was given your name and number by a doctor in Michigan. I called you and we met at your Farmer house. Together we came up with a three month plan that included living at the Farmer house, going to 90 meetings in 90 days, and working to mend the relationship with my family. It worked. Three months later, me and my family moved back to Houston and started a new life. A sober life. Thanks to you and Doorway to recovery, I am going on 2 years sober. My relationship with my family has never been better. I have a great job and 2 new cars and we are building a new home.

I really want to say thank you for all your help. God bless you and Doorway to Recovery for making this possible.

Your friend,
George S
